# PROJECTS & INFRASTRUCTURE

## STATEMENT

Our projects and infrastructure team is the product of a formal collaboration of multidisciplinary lawyers with extensive experience in the field of project planning, development and management. Our seasoned group of expert lawyers seeks to serve our clients by providing integrated legal solutions across the entire spectrum of private and public projects.

Our wide range of experience includes advising the most significant market players operating in the transport and social infrastructure sectors. We have particular expertise assisting clients in the mining and minerals industry. Our comprehensive support not only covers the complete planning and execution phase of a project, but also the resolution of any legal disputes arising during the operation or implementation of a project.

## SERVICES

We provide legal advice and support in connection with:

- PUBLIC AND PRIVATE TENDERS
- PUBLIC PRIVATE PARTNERSHIPS
- PROJECT STRUCTURING
- NEGOTIATION AND DRAFTING OF PROJECT RELATED CONTRACTS
- CONSTRUCTION, PROJECT AND CLAIMS MANAGEMENT
- ADMINISTRATIVE PROCEDURES
- DISPUTE RESOLUTION
